WINE CLUB

2019 SIGNATURE SYRAH

YAKIMA VALLEY AVA

Our 2019 Signature Syrah opens with an intoxicating nose, showing us that warmer and ripe flavors of Red Mountain Syrah can blend beautifully with cooler climate Boushey Syrah. Fresh violets, ripe blueberry, sizzling pancetta and Korean barbecue are backed by a soft, yet very persistent mouthfeel. The 2% co-fermented viognier in this cuvee provides a delicate lift and hint of citrus. There is a purity and focus with this wine that will allow it to age gracefully for 10+ years.

2018 D2

COLUMBIA VALLEY AVA

Mocha and milk chocolate notes from French oak integrate with beautiful cassis, dried cranberry, and cedar aromas on this 2018 D2. This wine is instantly delicious on the palate with an inviting warm, soft entry. It rapidly builds in intensity of fruit mid-palate, offering remarkable length on the finish, with Red Mountain Cabernet (16% of the blend) apparent in the texture.

2019 DOYENNE

RED MOUNTAIN AVA

In classic fashion on release of the wine, 2019 Doyenne presents Syrah in the forefront with Cabernet Sauvignon as the anchor. Syrah displays attractive black plum and savory smoked brisket, while capsicum, anise, and black olive tapenade are the dominant Cabernet aromas. White pepper and smokey barrel influence yield to a juicy, fruit-forward palate that remains balanced by an untamed and more rustic texture. The dense structure of this wine begs for a grilled meat companion and should allow for 8+ years of cellaring.
